

**BEST AROMATHERAPY FACIAL**

## **SENZE EO+ FACIAL**

SK-II BOUTIQUE SPA BY SENZE SALUS

### **TENDER LOVING CARE**

Google “self-care” and skincare always comes up as a key element to improving one’s well-being from the inside out. Why? Because good beauty care shouldn’t just enhance the way you look, it should have positive effects on your mood, self-esteem and most importantly, boost and benefit your largest organ—skin.

### **STRESS, BE GONE**

A treat as nourishing for the skin as it is pampering for the soul and psyche is the Senze EO+ Facial at the SK-II Boutique Spa by Senze Salus. Using a combination of organic essential oils and SK-II products, this treatment includes a 40-minute massage created by Austrian biochemist, Marguerite Maury, starting from the scalp and goes down to the face,

neck and shoulders. Choose from one of four oil blends: De-stress, a hydrating blend for all skin types; Soothe, a calming blend to relieve sensitive skin; Anti-ageing, a firming blend for mature skin; and Purify, a balancing blend to alleviate oily, congested skin. A hand reflexology session

follows to promote a sense of overall well-being.

### **A STATE OF BLISS**

The 105-minute aromatherapy facial helps relieve emotional stress, calm the skin, and stimulates and boosts lymph nodes and circulation in the skin to enable better absorption of key ingredients

found in the essential oils and SK-II skincare. Not only will you walk out with firmer, more radiant skin, you’ll also leave the spa feeling lighter and truly relaxed.
